Matter of Marina District Development Company )  
d/b/a Borgata Hotel Casino & Spa for Approval ) ORDER  
to Amend Its CHAB License ) PRN 1471102  
**(July 4 Fireworks Viewing Party)** )  

---

Pursuant to its Petition (PRN 1471102), filed on behalf of Marina District Development Company d/b/a Borgata Hotel Casino & Spa (“Borgata”), Borgata seeks permission to temporarily amend its Casino Hotel Alcoholic Beverage (CHAB) license. The requested amendment would authorize, on July 4, 2011, a portion of Borgata’s surface parking lot, as depicted diagrams attached as exhibits to its Petition (“Exhibits A and B”), as a Type II (lounge) location for the sale and on-premise consumption of alcoholic beverages within that delineated area (“viewing area”). The purpose for the requested authorization is to sell alcohol to patrons in the viewing area for a Fourth of July fireworks display.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and a temporary miscellaneous contingency permit be issued with the following conditions:

1. Authorization of the viewing area as a Type II location will commence on July 4, 2011 at 7:00 p.m. and expire on July 4, 2011 at 11:00 p.m.
2. This approval is valid only for the cash and complimentary sale and service of alcoholic beverages in open containers for consumption in the viewing area.
3. If inclement weather prevents the event, said authorization will be valid for July 5, 2011 during the times previously specified.

4. The service bars and beer trailers, the locations of which depicted in Exhibits A and B, are to be staffed at all times by Borgata CHAB employees.
5. All alcoholic beverage service served in the viewing area will emanate only from the locations specified in the Petition.
6. Any remaining alcoholic beverages are to be removed from the viewing area immediately at the conclusion of the event.
7. Borgata will maintain, on site, a list of its on-duty CHAB employees for the event available for inspection by the Division of Gaming Enforcement.
8. All alcoholic beverages served in the viewing area are to be served in uncapped, original containers.
9. Service of alcoholic beverages will be limited to two drinks per person at any one time.
10. Borgata is to provide security for this event in accordance with the security plan described in its Petition.
11. Borgata is to notify the Division of Gaming Enforcement of any material change in the conduct of the event.
12. Borgata shall be liable for any violations of applicable alcoholic beverage laws and regulations of the New Jersey Division of Alcoholic Beverage Control and the Division of Gaming Enforcement that may occur during the event.
13. Borgata is to conduct the event in accordance with the description and representation contained in its Petition.
